

**Addendum to May 19, 2018 BOD Meeting Minutes: further clarification of the BOD's decision to charge \$3.00 for all walkers.**

Walking fees for Mid-Florida Milers events will change effective September 1, 2018. The club will charge \$3 for all walkers, both AVA/IVV-credit (no change) and non-credit participants. Minors under 13 may walk for free unless they are AVA/IVV-Credit walkers. This change is for both one-day events (Traditional) and year-round events (YREs). There is no change for the 7 Southeast Florida "Online Start Box" walks that remain at \$2 for the instructions and one dollar more for AVA/IVV credit.

Members of Mid-Florida Milers may purchase coupon-packets (\$20 for 10 coupons). Ask at any walk to obtain them. These coupons enable MFM Members to walk Mid-Florida Milers Year-Round Events (permanent walks) for \$2 per event. These discount coupons are not usable for Traditional (one-day) Events.

We appreciate your understanding as we seek to support financially both our local club and the American Volkssport Association, the national organization who sanctions our events.
