

Mid Florida Milers Walking Club

2020 Abbreviated YRE Brochure

With the many changes we have and will face, Mid-Florida Milers revised the YRE brochure to tell walkers what is available and how to and where to register. There are Physical Start Boxes and Online Start Boxes (where there is no business to support a physical box or the location is too distant). In some cases there are both a Physical and Online Start Box option that makes registering easier for walkers. These are noted below. There is a map on the back. Note that masks are required at all registration places and in Disney Springs and Universal CityPlace.

The links to the events in the righthand column above provide all the information needed to explain the walk.

For Online Start Boxes walkers need to register on the AVA web site (my.ava.org) in order to sign the required Athletic Waiver, pay for the walk, download instructions, and receive insert cards.

Questions to the event points of contact are made by a single click from the AVA site.
