

**ADDENDUM 2 to
MID-FLORIDA MILERS WALKING CLUB
QUARTERLY BOARD MEETING
January 25, 2025**

Correction under NEW Business / Review of two AVA Articles:

- Should read: "January 2025 Checkpoint" (not December)
- Proper Attribution for Event Direction Maps -Should read:

A reminder from AVA that our Event Maps require the copyrighted map information be at the bottom of the map. For instance, "©Googlemaps". Jenny has begun doing this with our Traditional Event maps and we will eventually update all YRE maps.
